

The West Meade Conservancy's goal is to create an expanding collection of contiguous conservation easements to protect wooded areas, wildlife habitat, the watershed, and sections of historic wall in Nashville, Tennessee. West Meade's woods serve as an important piece of Nashville's unique Ecological Arc.

Tax-deductible donations to The Land Trust for Tennessee designated for the West Meade Conservancy will make possible establishing and maintaining the collection of easements.

I/we support the work of the West Meade Conservancy with a tax-deductible gift, to The Land Trust for Tennessee, of:
